# INSTRUCTIONS TO BIDDERS
Board of Public Works and Safety
City of Fort Wayne, Indiana

July 11, 19 86
Non-Federally Funded Construction

1. Submission of Bids. Sealed bids will be received by the Board of Public Works and Safety of the City of Fort Wayne, in the State of Indiana, hereinafter "The Board" until 9:00 o'clock EST on the 30 thday of July, 19 86, at the Office of The Board in the City-County Building, at which time the bids will be publicly opened and read, for the following described work, as more fully set forth in the specifications:

Street Lighting Resolution No. 181-86

Street Lighting Maintenance and
Unit Price Contract

2. Inclusion of Clauses - If a clause in the Invitation for Bids (IFB) has a box ☐ beside it, the clause applies to the IFB only if it contains a check mark (✓) or an "X". Any questions as to whether a clause is included or not should be referred to The Board.

3. Questions as to Bid Document. If a bidder finds discrepancies in, or omissions from, the bid document or has questions about the project, he should at once contact the City Engineers. If the information requested or change made is substantive, The Board will issue an amendment to the solicitation and will send such amendment to all potential bidders who have procured an Invitation for Bid (IFB). The Board and the City will not be responsible for any oral instructions.

4. Award of Contract (Timeliness, Responsiveness, Responsibility). A contract resulting from the Invitation for Bids will be awarded to the lowest and best timely bidder who is also responsive and responsible. If bids are otherwise equal, award will be made to that bidder granting the largest prompt payment discount.

5. Bid Requirements. All bids shall be endorsed with the title of the work, the name of the bidder, and the date of mailing or presentation. All bids shall be filed in the office of The Board on or before the day and hour set forth above and stated in the advertisement, and no bid received after that time will be accepted. The Board will not accept any late filing regardless of reason, including delays in the mail.

All bids shall include the exact quantities of each item shown on the bidding form for each section of the work, and unless the IFB otherwise states, the total cost of the various sections shall be considered a lump sum bid.

6. Examination of Bids For Responsiveness. After the bids are opened and read, The Board will examine them to determine if they are responsive. In order to be responsive, the bidder must complete all blanks requiring completion, and must submit all information required to be submitted. Any alteration, erasure, or interlineation of the contract or the IFB may cause the bid to be determined non-responsive. Proposals which are unbalanced may also be determined non-responsive.

However, The Board reserves the right to accept any bid, to reject any and all bids, and to waive defects or irregularities on any bid.

7. Determination of Responsibility. Prior to awarding any contract pursuant to this Invitation for Bids, The Board will make a determination of responsibility. An award of a contract to a bidder shall constitute an affirmative determination of responsibility.

In reaching a determination of responsibility, The Board can consider among other factors:

(a) The Contractor's record of integrity.

(b) The Contractor's experience and past performance record in construction work.

(c) The Contractor's financial status.

(d) The Contractor's capability to perform the project.

(e) Whether the bidder is in arrears upon or in default of any debt, contract or other obligation to the City of Fort Wayne.

(f) Whether the bidder is debarred from Federal or City of Fort Wayne contracts.

(g) The bidders record in MBE/WBE compliance.

(h) Whether the bidder is engaged in litigation with the City of Fort Wayne.

In arriving at a determination of responsibility, The Board may institute a pre-award survey on any or all bidders. That pre-award survey may examine any of the considerations relating to a bidder's responsibility as set forth above. Bidders will cooperate with the pre-award survey team. Failure to cooperate can result in a finding of non-responsibility.

☒ 8. Prequalification - In addition to being timely, responsive, and responsible, a bidder must also be prequalified by the State Department of Highways or by _____ in order to be awarded a Contract.

9. Bid Bond or Deposit. Each bid must be accompanied by a bond executed by the bidder and surety satisfactory to The Board, in a sum of ten percent (10 %) of the aggregate amount of the bid, but in no case less than $100.00; or the bidder may deposit with The Board in lieu of such bond, a certified check on a solvent bank in a sum of ten percent (10 %) of the aggregate bid or proposal, but in no case less than $100.00, which certified check shall be payable to the City of Fort Wayne. The bid bond or certified check shall serve as a guarantee that should the said bid be accepted by The Board, the bidder will, within ten (10) days after the time he is notified of the acceptance of the bid, enter into a contract with the City of Fort Wayne for the work bid upon and give bond with surety to be approved by The Board, insuring the faithful completion of the contract.

In case a bid is not accepted, the obligation of the said bond shall be null and void and the certified check will be returned to the bidder, as the case may be. In case a bid is accepted, and the bidder does not enter into a contract with the City of Fort Wayne for the work bid upon within ten (10) days after notification of award, then the obligation of the bond or the certified check shall be forfeited to the City of Fort Wayne for ascertained and/or liquidated damages for failure to enter into a contract. Provided that, the City's action in forfeiting the bond or retaining the certified check shall not preclude the City from taking any further action against the contractor to recover for all actual damage, the City has suffered.

10. Sworn Experience Questionnaire, Plan and Equipment Questionnaire and Contractor's Financial Statement (96A). Each bidder will submit with and as part of its bid: (a) A complete Form 96A under oath; or (b) Have a complete Form 96A on file with The Board which shall be less than one year old in which case the bidder can instead submit a Certificate in Lieu of Financial Statement.

11. Execution of Additional Bid Documents. In addition to all documents previously mentioned as having to be executed and submitted as part of the bid, each bidder will be required as part of its bid to execute and submit the following documents as specified below:

(a) Non-Collusion Affidavit
[X] (b) Prequalification Statement
(c)
(d)
(e)

12. Brand Name or Equal-Specified Materials or Equal. Where, in the specifications, one or more specified materials, trade names, or articles of certain manufacture are mentioned, it is done for the purpose of establishing a basis of durability and proficiency, and not for the purpose of limiting competition. The bidder can submit other names of materials and, if, the Director of the Board determines that, they are equal in durability and sufficiency to those mentioned and of a design in harmony with the work as outlined, then the bid will be accepted as responsive. However, if the Director of the Board determines that such materials are not equal, then the bid may be rejected as non-responsive. Consequently, bidders are advised to submit any such request for changes or deviations in materials to the Director of The Board prior to submitting bids. Any approval of deviation will be by written amendment to the solicitation and will be submitted to all bidders who have obtained IFBs.

13. Minority Business Enterprise/Women Business Enterprise Requirements.

(CONSTRUCTION)

It is the policy of the City of Fort Wayne that Minority Business Enterprises and Women Business Enterprises should participate to the greatest extent possible consistent with the State Law in Procurement Contracts awarded by the City of Fort Wayne.

In order to fulfill this policy, the City of Fort Wayne has adopted General Ordinance G-16-84 (Chapter 7 of the Code of the City of Fort Wayne) which sets participation goals for procurement contracts of at least 7% for Minority Business Enterprises and at least 2% for Women Business Enterprises. To meet the participation goals, a Minority Business Enterprise may be either a prime contractor, sub-contractor, or a joint venture.

Minority Business Enterprise (MBE) is a business of which at least 51% is owned and controlled by minority group members. ("Minority" means Black, Hispanic, American Indian, Asian, Pacific Islander, and Alaskan Native). The minority owners must exercise actual day-to-day management, as well as actively participate in management and policy decisions affecting the business. The contribution of capital, equipment or expertise made by the minority owners must be real, substantiated and documented.

Women Business Enterprise (WBE) is a business of which at least 51% is owned and controlled by women. The women owners must excercise actual day-to-day management, as well as actively participate in management and policy decisions affecting the business. The contribution of capital, equipment or expertise made by the women owners must be real, substantiated and documented.

The contract for which this proposal/bid is prepared is governed by the MBE/WBE Ordinance. This form must be completed in order to be responsive to this IFB/RFP. If the participation goal of 7% for MBE and 2% for WBE are not met or exceeded in your bid or proposal, the reasons for this failure and reasonableness and good faith of efforts to meet this goal shall be evaluated in determining whether the bidder/offeror is responsible.

A list of possible MBE/WBE contractors/suppliers are on file in the Compliance Office, Room 800, City-County Building, for Contractor review.

THE FOLLOWING IS THE UNDERSIGNED'S COMMITMENT TO THE MBE/WBE GOALS OF THE CITY FOR WORK DONE PURSUANT TO THIS CONTRACT:

A. ____ The undersigned firm certifies that it is an MBE/WBE Contractor (cross out inapplicable provision).

For MBE specify percentage of minority ownership _____%.

For WBE specify percentage of women ownership _____%.

B. _____ The undersigned certifies that they are a joint venture in which the following (MBE/WBE) firm _____ (cross out inapplicable provision) is a joint venture partner.

The MBE/WBE firm (cross out inapplicable provision) shall have _____% participation (employees) _____% participation (costs) in this project.

Specify the percentage of minority/women ownership in the MBE/WBE firm _____%. (cross out inapplicable provision)

C. The undersigned commits 7 % of the total bid price as a subcontract to minority business enterprise participation. The MBE firms which are proposed as subcontractors are the following:

| Name of Firm | Address | Type of Work |
|---|---|---|
| 1. West Acres Nursery | Fort Wayne, Indiana | |
| 2. | | |
| 3. | | |

D. The undersigned commits 0 % of the total bid price as a subcontract to women business enterprise participation. The WBE firms which are proposed as subcontractors are the following:

| Name of Firm | Address | Type of Work |
|---|---|---|
| 1. | | |
| 2. | | |
| 3. | | |

E. Complete (1) and (2) below if participation goals of 7% MBE and 2% WBE have not been met.

1. My Company cannot meet the participation goals for the following reasons: Major portion of this maintenance work done on Man Hour Rate and Equipment Rental Basis. No sub contract work available except Unit Price portion. We can meet the seven percent (7%) MBE on this portion.

2. We have taken the following steps in an attempt to comply with these participation goals: No WBE Contractors for electrical work as per Joe Adams (Compliance Officer).

14. Minority/Female Hourly Employment Requirements. The City's policy is to encourage a greater utilization of minority and/or female employees in City construction projects. The Board has, therefore, adopted a minimum goal of 17% of the total work hours on each project to be expended by minority and/or female employees. ("Minority" shall include: Blacks, Hispanic, Asian, Pacific Islander, American Indian or Alaskan Native.)

The bidder shall state in "A" below the percentage of total work hours which the bidder and his subcontractors will employ and utilize women and minority employees on this project. If a contract is awarded as a result of this bid, the percentage figure set forth in "A" shall become contractually binding on the bidder. The successful bidder will also be required to prepare reports for the City demonstrating compliance with this percentage and will allow city officials access to his records, facilities and work site and to those of his subcontractors to determine compliance.

The bidder must fill in the required blanks in this clause in order to be responsive to this IFB. If the bidder does not meet or exceed the hourly utilization goal of 17% minority/female participation, the reasons for this failure and reasonableness and good faith of efforts to meet this goal shall be evaluated to determine whether the bidder is responsible.

THE FOLLOWING IS THE UNDERSIGNED'S COMMITMENT TO MINORITY/FEMALE HOURLY UTILIZATION.

A. The undersigned firm certifies that it will employ and utilize minorities and females and/or will ensure that its subcontractors employ and utilize minorities and females so that minorities and females will work at least 10% of the total hours worked on this project.

B. Complete (1) and (2) below if the hourly utilization figure set forth in "A" is less than 17%.

1. My Company and its subcontractors cannot meet the 17% minimum hourly utilization figure for the following reasons: Contractor will comply with goal of 17% for all additional employees necessary to perform work assigned by City of Fort Wayne.

2. My Company has taken the following steps in an attempt to comply with the 17% hourly utilization figure:

15. Required Prevailing Wage Schedule Payments - Pursuant to Indiana Code 5-16-7-1. All contractors and subcontractors working on the project awarded pursuant to this contract shall pay the prevailing wage rates for skilled, semi-skilled and unskilled laborers, workmen and mechanics. This wage determination has been made in accordance with the procedures set forth in Indiana Code 5-16-7-1. This determination and the required wage rates are available for examination by any prospective bidder at The Board of Public Works and Safety, 9th Floor, City-County Building, Fort Wayne, Indiana.

If a bidder is awarded a contract as a result of this Invitation for Bids, he/she/it shall file a schedule of wages, on forms provided by the City of Fort Wayne, demonstrating compliance with the wage rate determination. The successful prime contractor shall be responsible for obtaining schedules from all subcontractors. All schedules shall be filed before the contractor commences any work on the project.

Penalties for failure to pay the prevailing wage rate are set forth in Indiana Code 5-16-7-3.

16. Site Orientation. A site orientation (will/will not) be conducted by the City Engineers. If such an orientation is conducted, it will be held on the ___ day of _____, 19__, commencing at ___ o'clock __.M. at the site of the project.

Regardless of whether a site orientation is conducted or not, bidders are required to visit the site of the work, and inform themselves fully of the conditions, under which the work will be performed. The bidders shall be responsible for all conditions that affect the work, including, but not limited to all sub-surface conditions.

☐ 17. Pre-Bid Conference. The Board will hold a prebid conference to familiarize prospective bidders with the terms of the IFB and proposed contract, and to answer any questions. This conference will be held on _____ at _____
(date) (time)
_____ or at such date, time, and place as The
(place)
Board subsequently determines. If the date and time of the prebid conference is not set forth herein, The Board will notify all prospective bidders who have picked up bid packages of the date, time, and place of the conference.

18. Performance Bond. The successful bidder, at the time of signing the contract will be required, at his own expense, to furnish a bond guaranteeing faithful execution of the contract, in full amount of the contract price, executed by the bidder and a surety to be approved by The Board, on the bond form headed by The Board. The Performance Bond shall contain the following clause: "The said Surety, for value received, hereby stipulates and agrees, that no change, extension of time, alteration or addition to the terms of the contract or to the work to be performed thereunder, or the specifications accompanying the same, shall in any way affect its obligation on this bond, and it does hereby waive notice of any change, extension of time, alteration or addition to the terms of the contract, or to the work or specification."

19. Additional Bonds. If a bidder is awarded a contract he will also be required to execute with surety, satisfactory to The Board;

☐ A. Payment Bond. In the amount of payment to be made under the contract.

☒ B. Warranty Bond. In the amount of the contract warrantying the contractor's performance of a period of one year after the date of the City's acceptance.

20. Councilmanic Approval and Ratification of Contract. This agreement, although executed on behalf of the Owner by the Mayor and The Board, shall not be binding upon the Owner unless, and until, the contract has been ratified and approved by the Common Council of the City of Fort Wayne, Indiana. And if the Common Council fails to approve the contract within ninety days after the date of bid opening, then the Contractor shall not be bound to the contract unless he/she/it elects to be so bound.

21. Method of Contract Award. The contract resulting from this IFB will be awarded:

☒ A. On an all or none basis.

☐ B. As follows: _____

_____

_____

SCHEDULE

Board of Public Works & Safety

The contractor agrees to furnish at his/her/its own cost all labor, insurance, materials, equipment, and power for the complete performance of the following project:

Street Lightig Resolution No.181-86
Maintenance and Unit Price Contract

All work will be performed in accordance with: Resolution No. 181-86, Instructions to Bidders, Bond Forms, the IFB, this contract and the applicable plans, specifications, and drawings for a TOTAL PRICE OF $ 25.00. (If unit prices are applicable, the contractor agrees to perform for those unit prices as set forth in the Schedule of Unit Prices attached hereto).

The work shall be commenced within ten (10) days after the Board issues a written notice to proceed. All work shall be completed within -0- days after issuance of the notice to proceed. Those days which the contractor cannot work because of severely inclement weather shall not be counted.

☐ Liquidated Damages Provision. (This clause shall be applicable to this contract only if the box contains a checkmark or an "X". It is hereby agreed by and between the City of Port Wayne and Contractor that time is of the essence of this agreement and the contractor agrees that it will complete the project as herein defined on or before ___ days after issuance of the notice to proceed. The parties agree that it is a business and governmental necessity that the project be completed by this date, that it will be difficult or impossible to make an accurate determination of the damages that would be incurred by the City of Port Wayne, and therefore provide for liquidated damages in the sum of $_____ price per day for each and every day after _____ days after issuance of the notice to proceed that the project remains uncompleted. The parties agree that the sum of $_____ per day is a reasonable estimate as to the damages which would be incurred by the City of Port Wayne. The parties further agree that causes beyond the control of the contractor may delay the completion date. Therefore, the parties agree that delays in the completion date beyond the control of the contractor shall not result in liquidated damages.

Delays beyond the control of the contractor can include but are not necessarily limited to, the following: Acts of God, strikes, lockouts or industrial disturbances, acts of public enemies, restraining orders of any kind by the government of the United States of America or of the State of Indiana or any of their departments, agencies, or officials, or any civil or military authority, insurrections, riots, landslides, earthquakes, fires, incapacitating storms, floods, and explosions.

In submitting this bid, it is understood that the right is reserved by the Owner to reject any and all bids and to waive any defect in any bid.

C. Trouble Shooting Unit - To consist of one (1) person and one (1) truck which should be available at all times to handle accidents and emergencies.

D. Unit Price Items - Unit price list for Street Light Construction.

The bids will then be submitted to the Engineers for examination and comparison. Upon completion of their report as to the amounts of the different bids per unit price offered, the Board will proceed without unnecessary delay to award one contract to the lowest qualified bidder. The Board reserves the right to reject any and all Bids.

2. Permission will not be given for the withdrawal or modification of a proposal after Bid due time and date.

3. Each proposal shall be endorsed with the title of the work, the name of the Bidder, and the date of its presentation. All Bids shall be filed with the Clerk of the Board of Public Works and Safety, on or before the day and hour mentioned above and stated in the advertisement, and no proposal presented after this time shall be accepted.

4. No Bid will be accepted from or Contract awarded to any person, firm, or coporation that is in arrears to the City of Fort Wayne, upon any debt or contract, or who has failed to execute, in whole or in part, in a satisfactory manner, any contract with the City; or who is a defaulter as to surety or upon an obligation to the City of Fort Wayne for any reason.

5. All Bids must be upon the Bid Form which follows. It is to be understood that all provisions of Bid Form 96-A, as prescribed by the State Board of Accounts, are to be considered to be a part of the Bid Form which follows, with such additions incorporated therein as found necessary for this Project. The usual Statutory Affidavit shall be made on the form provided.

6. In accordance with the provisions of an Act of the General Assembly of the State of Indiana, Chapter 306, page 1248, Acts of 1947, each bidder is required to submit under oath, with and as a part of his Bid, a statement of his experience, his proposed plan for performing the work, the equipment which he has available for the performance of the work, and a financial statement of his business. The statements must be submitted on forms prescribed by the State Board of Accounts, copies of which are bound herewith.

7. Each Bid must be accompanied by a Bond executed by the bidder and surety satisfactory to the Board of Public Works and Safety in the sum of $10,000.00; or the bidder may deposit with the Board of Public Works and Safety in lieu of such Bond, a certified check on a solvent bank, payable to the City of Fort Wayne, equal in amount to the amount required as a guarantee that should the said Bid or proposal be accepted by the Board of Public Works and Safety the bidder will, within ten (10) days from the time he shall have been notified of the acceptance of the same, enter into Contract with the City of Fort Wayne for the work bid upon, and give Bond with surety to be approved by the Board of Public Works and Safety, insuring the faithful completion of the Contract.

In case a Bid is not accepted, the obligation of the said Bond will be null and void and said certified check shall be returned to the bidder.

In case a Bid is accepted and the Bidder does enter into Contract with the City of Fort Wayne for the work bid upon, within ten (10) days from the time he shall have been notified of the acceptance of the same, and does furnish Contract Bond as required, then the obligation of the said Bond shall be null and void and the said certified check shall be returned to the Bidder.

In case a Bid is accepted and the Bidder shall refuse to or neglect to enter into a Contract with the City of Fort Wayne for the work, material or apparatus bid upon, within ten (10) days from the time he shall have been notified of the acceptance of the same, and furnish Contract Bond as required, then the obligation of the Bond shall remain in full force or effect and said certified check shall be forfeited to the City of Fort Wayne as ascertained and liquidated damages for failure to do so.

8. The successful Bidder, at the time of signing the Contract, will be required to furnish Bond (at his own expense) guaranteeing faithful execution of the Contract, in full amount of $250,000.00 and executed by the Bidder and surety to be approved by the Board of Public Works and Safety on the Bond Form marked "Performance Bond", and bound herewith. The Performance Bond shall contain the following clause:

"The said surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the contract accompanying the same, shall in any way effect its obligation on this alteration or addition to the terms of the contract, or to the work, or to the specifications".

9. Persons, firms and corporations submitting Bids or proposals shall demonstrate to the satisfaction of the Board, before entering into contract, that they have proper facilities, expert workmen and experience to execute the contract in a proper manner; otherwise, their Bids or proposals will not be considered.

10. Each Bidder is to submit, with his proposal, a list of his installations of work similar in size and type that are in successful operation.

11. All affidavits sworn to before a Notary Public in states other than Indiana should have attached thereto a Certificate of the Clerk of the Circuit Court or a court of similar jurisdiction, that such Notary Public is authorized to administer oaths. The venue of the Affidavit should also be laid where the Affidavit is made.

# DETAILED SPECIFICATIONS FOR RELAMPING UNIT

City of Fort Wayne

These specifications are intended to cover the duties and responsibilities of the contractor and City for the relamping of the Street Lighting System

## Contractor's Responsibilities

1. The contractor will be required to furnish one (1) person and a bucket-type truck suitable for relamping fixtures with a working height of up to 40 feet. The truck should be capable of carrying at least 200 light bulbs, 15 pieces of light fixture glassware, 5 photocells, fuses, sockets, series protective spots, rags, etc. It should also be equipped with adequate warning lights for traffic protection.

2. This unit will be equipped with VHF radio transceiver on a City of Fort Wayne's Communications Department frequency at no cost to the Contractor. The radio would be used primarily to contact the relamping unit during working hours in the event of an accident or damage to the street lighting system.

3. The person operating this unit must be a lineman and should be capable of operating this unit, reading maps, having a fair knowledge of the City street locations, reading the list of street light locations, filing a daily report, and having a general knowledge of electrical circuits to perform maintenance operations.

4. This unit would be expected to perform certain patrolling duties such as turning street light circuits on and checking lamp failures. Lists of lamp outages would be furnished this unit every morning with a possible supplementary list at noon. The unit would be expected to make minor repairs to the street lighting circuits including changing fixtures, photocells, glassware, and any other minor field repairs within the capability of this unit. In inclement weather, this person would be expected to repair damaged fixtures or equipment in a protected location.

5. Because of vacations, sickness, and truck maintenance, the contractor is expected to have available personnel and equipment to substitute on those occasions.

6. The relamping unit would operate on an 8 hour day, 5 day a week basis exclusive of holidays and would probably replace approximately 25 - 40 lamps per day and drive approximately 65 miles per day.

7. The definition of Holidays in the specifications and Bid shall be those "Closing Days" as observed by the City of Fort Wayne - List of Holidays attached.

8. This crew will work under the direction of the City of Fort Wayne Maintenance Supervisor and/or the Street Light Supervising Engineer or their designated representative.

9. The following tools and equipment are mandatory for the relamp, service and callout truck to be furnished by Contractor.

1 - Clip-on amp meter 6A to 100A scale

City of Fort Wayne

These specifications cover the furnishing of labor, equipment and tools for performing the necessary maintenance of the City of Fort Wayne Street Lighting System.

Maintenance Unit Responsibilities

1. The Contractor will provide a maintenance crew comprised of a working foreman, a lineman and one or more assistants and equipped with a 50' working height bucket truck, a line truck with boom, claws, a hole boring unit and a pole trailer for handling street light poles. The working foreman should be a qualified lineman and have qualifications as outlined in appendix "A" attached.

2. The contractor should have available on a rental basis, other maintenance equipment including a trencher, a concrete sawing machine, an air compressor with hammer.

3. Maintenance orders would be issued by Street Light Engineering to repair parts of the lighting system and the City of Fort Wayne would furnish all materials required to perform maintenance and repair work. The crew would provide daily written reports as to the work performed on each order and cause of damage such as faulted cable, accident, tree damage, windstorm, etc.

4. This crew in addition to doing maintenance of the street lighting system, would be expected to perform maintenance on the present series street lighting system. Since these are located adjacent to the primary wires (4000 volts) this would require proper safety equipment such as rubber gloves, insulated hose, blankets, etc. The crew would also be expected to change and maintain the series street lighting regulators which are part of this street lighting system. This crew will also perform maintenance of municipally owned distribution systems (up to 12 KV) behind I & M primary metering points.

5. This crew would be used on an hourly basis to perform the maintenance requirements. Anticipated operating time for this crew would be between 4-5 daysper week for normal work, but with the capability of working overtime in emergency conditions. This crew can also install miscellaneous light orders.

6. At least one truck would be radio equipped. Radio furnished, installed and maintained by the City of Fort Wayne.

7. Contractor will be paid for this crew on hourly contract rate basis for all hours when workmen are paid by contractor due to inclement weather. Two (2) hour report time will be paid on days crew reports for work but does not work. The crew can be directed to perform miscellaneous work inside until such time the maintenance supervisor can determine if the weather is too inclement to perform outside maintenance work. This does not apply in case of an emergency. When no work is available, the maintnenace supervisor will advise the crew not to report the next morning the preceding afternoon.

8. This crew will work under the direction of the City of Fort Wayne Maintenance Supervisor and/or the Street Light Supervising Engineer or their designated representative.

# SPECIFICATIONS FOR THE TROUBLE SHOOTING UNIT

City of Fort Wayne

These specifications cover the labor and/or equipment to perform Trouble Shooting of the City of Fort Wayne Street Lighting System.

1. The contractor will supply the services of a trouble shooting unit which will be available 24 hours a day, 7 days a week to handle accidents or emergencies. This unit shall consist of one man and/or one truck adequately equipped to handle emergencies.

2. The contractor shall supply the City of Fort Wayne a telephone number for emergency after hour calls. When called, the Trouble Shooting unit shall respond to the site within one hour. He shall be capable of immediate temporary repair to the street lighting equipment for public safety. A maintenance order would be issued to the maintenance crew for necessary permanent repairs the following work day.

3. During normal work hours, the trouble shooting function shall be performed by the relamping unit.

4. The City shall have the option to provide their own trouble shooting person using contractor's equipment. In the event City elects to use this option, the contractor shall make available at the Lafayette Complex or other areas requested by City, a trouble shooting vehicle adequately equipped. This vehicle may be the relamping unit. Contractor shall provide all maintenance, insurance, fuel upkeep, etc. to keep trouble shooting vehicle in top working condition. A separate bid price will be submitted for per hour of use for troubleshooting vehicle using City personnel. Also, a bid price shall be submitted for a monthly rate of making trouble shooting vehicle available for City personnel use. City may use either hourly or monthly bid rate but not both concurrently.

5. The contractor shall be paid a minimum of two (2) hours for each call out for the trouble shooting unit. The per hour rate shall be as bid. Multiple trouble shooting calls falling within the call out two hour period will not be paid for on a concurrent basis.

# The City of Fort Wayne

Board of Public Works and Safety

TO ALL CONTRACTORS WITHIN THE CITY LIMITS OF FORT WAYNE

The City of Fort Wayne Street Department has advised the Fort Wayne Board of Public Works and Safety that the third trick Street Department crews are spending approximately 50% of their time re-erecting barricades placed on various projects throughout the City. This responsibility of maintaining construction signs, barricades, etc., belongs entirely with the contractor.

Please refer to the attached copy of the City of Fort Wayne application for permit to cut into Fort Wayne streets, whereby the contractor is responsible to erect and maintain Traffic Devices for Highway Construction and Maintenance Operations; Indiana State Highway Commission --- date, 1985.

Maintaining these signs shall include necessary stabilizing of the signs whether this be accomplished by embedding the legs of the sign in the street or using sandbags as ballast on the lower crossarms or legs of the signs. Other procedures of installing ballast on signs may be devised by the contractor, however, under no circumstances, shall sandbag ballast be placed on the top of barricades. This has been determined as a hazard to the driving public. Should one of the signs be hit by a car, the sandbag could very well fly through the windshield of the car causing serious injury.

Effective January 1, 1986, a form will be included in bid documents requiring contractor to list names(s) and telephone number (s) of those responsible for maintaining barricades at all hours for each project.

If, after notification by City, contractor's representative does not immediately correct barricade problem and City must perform this work, a charge will be made against contractor.

## CERTIFICATION OF NON-SEGREGATED FACILITIES

Each bidder is required to submit with his bid a fully executed Certificate of Non-Segregated Facilities.

## CERTIFICATION OF NON-SEGREGATED FACILITIES

The bidder certifies that he does not maintain or provide for his employees any segregated facilities at any of his establishments, and that he does not permit his employees to perform their services at any location, under his control, where segregated facilities are maintained. The bidder certifies further that he will not maintain or provide for his employees any segregated facilities at any of his establishments, and that he will not permit his employees to perform their services at any location under his control where segregated facilities are maintained. The bidder agrees that a breach of this certification will be a violation of the Equal Opportunity clause in any contract resulting from acceptance of this bid. As used in this certification, the term "segregated facilities" means any waiting rooms, work area, restrooms and washrooms, restaurant or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, or national origin, because of habit, local custom, or otherwise. The bidder agrees that (except where has obtained identical certification from proposed subcontractors for specific time periods) he will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding $10,000 which are not exempt from the provisions of the Equal Opportunity clause, and that he will retain such certifications in his files.

Note: The penalty for making false statements in offers is prescribed in 18 U.S.C. 1001.
